NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE

YOUR APPLICATION WILL BE RETURNED TO YOU AFTER PROCESSING. WE ADVISE YOU TO SAVE THIS NOTICE AS IT COULD BE VERY IMPROTANT TO YOU IN THE FUTURE.

According to the information you have furnished, you intend to terminate existing Medicare supplement coverage and replace it with a policy to be issued by UNICARE Health Insurance Company of the Midwest. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY AGENT

I have reviewed your current medical or health coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement coverage because you intend to terminate your existing Medicare supplement coverage. The replacement policy is being purchased for the following reason (check one):

- Additional benefits. No change in benefits, but lower premiums
- Fewer benefits and lower premiums. Other. (Please specify.) _____

1. Unless your existing Medicare supplement policy has been in effect for at least six months, health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) to the extent such time was spent (depleted) under the original policy.
3. If you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though the policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy until you have received your new policy and are sure you want to keep it.
